## Our History

St Agnes College (Autonomous) Mangaluru, India, is a premier Catholic Educational Institution founded on 2 July 1921 by a great visionary Mother Mary Aloysia, the Second Superior General of the Apostolic Carmel Congregation who was the first recipient of Kaiser-i-Hind Gold Medal of the First Class in 1929, a prestigious National Award by the then British Government of India, for her contribution in the field of Women's Education. St Agnes College was the first women's college on the West Coast of India and the first, under private management, in the whole country.

Over the years, the college has grown steadily in strength and infrastructure and has withstood the vicissitudes of time and lived up to the challenges posed by changes in Higher Education. All the while the institution has kept aloft its banner declaring that 'God is My Strength'. The Institution has the distinction of producing women graduates/post graduates who hold positions in different spears as educators, scientist, chartered accountants, entrepreneurs, management professionals and service professionals all over the world. The focus now is on student-centered learning, throwing open new avenues of study and specialization and on designing challenging courses to suit the student community.

The campus having over 6000 students from Nursery to Post Graduate classes is known for its academic excellence, conducive atmosphere, community concern/service, extension activities, discipline, imparting social, ethical and family values (value based education), spirit of tolerance and mutual respect and up-building.

## VISION

Holistic education for excellence and transformation

## MISSION

St Agnes College is committed:  
To provide youth with value based, socially relevant and globally competitive education

To create a God-centered atmosphere for spiritual growth

To strengthen the faith life, especially of the Catholic staff and students

To respect life and uphold dignity of every person and promote human rights

To nurture eco-consciousness as an integral part of education

To collaborate with all stakeholders to ensure a culture of quality

## Core Values

Faith in God, Compassion, Harmony, Service, Environment Sensitivity and Conservation of Natural Resources

## EDUCATION TO BE

The attitude of trust in the Divine is strengthened through the prayer over the Public Address System (PAS) every morning as well as through weekly religion Human Values and Ethics classes and programmes pertaining to inter-religious peace and harmony. It is hoped that this training will enable our students to grow into worthy citizens and serve as effective role models for others.

## EDUCATION TO DO

Each subject combination is supplemented amply by co-curricular and extra-curricular programmes. Learning by doing encourages the students to plan, probe, verify, and experiment on a wide spectrum of issues. Dialogue, discussions and debates provide awareness for thinking and action.

## EDUCATION FOR INTERACTION

Education builds the student and, through her, the society in which she lives. The socio-economic and cultural programmes invite our students to forge new relationships and strengthen those that exist, in a mature, responsible way. While education forms persons, the college makes concerted efforts to mould them into individuals who are called to bear, to care and to share.

## Autonomy

To promote academic excellence in teaching and research, the Management of St Agnes College has accepted the status of academic autonomy for the College from the year 2007-08. In the autonomous set up, the college is free to frame its own syllabi for the various courses and adopt suitable innovative methods of Teaching, Learning and Evaluation. With autonomy, the College has the liberty to teach job-oriented subjects and promote service-oriented activities as also to conduct examinations and announce results within the prescribed structures of the Semester pattern. The University of Mangalore confers the degree to the qualified candidates presented by the College.

The college is now all set to celebrate the Centenary of its existence in the year 2020-21. In the course of 99 years, St Agnes College has achieved much. It was the first college in Mangalore University who took the initiative of submitting itself to the accreditation process by NAAC in 1999 and then subsequently in the years 2005, 2012 and 2017. In the fourth cycle, the college has been Re-accredited with A+ with a CGPA 3.65 out of 4. The college has been recognized as a 'College of Excellence' by the UGC in 2017 and conferred with 'Star Status' by DBT, Government of India, New Delhi. The College stands in the eighth position with a rating of AAAA+ (outstanding) in the list of the best colleges of Karnataka as rated by CAREERS 360 in 2016.

St Agnes College offers Under-Graduate Programmes in Arts, Science, Commerce, Business Administration and Computer application and Post-Graduate and Research in English Literature, M. Sc. in Psychology, M. Sc. in Clinical Psychology, M.Com, M. Sc. in Chemistry and M.Sc. in big data analytics. All curricular, co-curricular and extra-curricular activities are focused on providing students opportunities to enhance knowledge, acquire skills, nurture a culture of research and innovation and empower them to lead a wholistic and successful family and career life.

The Admission is open to all with special consideration shown to the less privileged Christian minority, backward communities and the physically challenged.

**Convent Chapel:** An abode of the Divine, a sanctuary to pray and find peace

**Faith Formation:** Provides opportunities for anchoring one's faith in God. Annual retreat, monthly Eucharistic celebrations for Catholic students and prayer/reflection days for students of other faiths are organized.

**Library:** A nodal center for study and reference, with a computerized facility for accessing books, and modern referencing possible through CD ROMs, the internet, a central point for audio visuals, and reading room facility. The college library is automated with EasyLib, the Automation Software and DSPACE, the Open Source Software, EdX online access, access to online journals through INFLIBNET/ NLIST/ HELINET/ PROQUEST databases. The library houses 78,000 books, 31,50,000 + E-books, 45 printed journals, 6000 + E-journals, magazines and periodicals.

**Science Laboratories:** Well-equipped Science Laboratories help students to get individual hands on experience in their study work. Instrumentation center enables students to take up projects.

To Parents:

St. Agnes College was established in 1920-21 with eight students and has expantially grown since then. In the recent years the student strength on the campus has been around 6000 spread over PU, UG and PG. The College is geared up to celebrate its centennial year in 1920-21. For the past 99 years, St. Agnes College has been a home of faith, of fruitful study and of fellowship. It is our sincere desire that every student who enters this campus will grow into a mature woman, emotionally balanced, spiritually strengthened, intellectually competent and socially concerned.

The year 2020-21 will be a milestone in the history of St Agnes College. The college is all set to celebrate the 100 years of service to society in the field of higher education.

At St Agnes we expect parent/teacher collaboration for the overall development of our students. Parents and guardians are requested to cooperate with the faculty, attend parents meet/results sessions, supervise the daily studies of their wards at home and monitor the activities of their wards before and after college hours. It is very important to check the college calendar and attendance to the class.

The College offers ample opportunities for every student to grow, develop and progress in every sphere of life. Besides the curricular and co-curricular activities, a number of additional courses, fests and competitions are organised for the holistic development of every student. Every Agnesian represents the college and will adhere to the code of ethics, dress and deportment as laid down by the college.

Parents will take note of the important parameters in the Semester pattern of academic life. The student will not be permitted to answer the End Semester Examination in the event of the following:

- > Shortage of attendance
- > Absence at Mid-Sem Examinations and other CIA components
- > Deliberate disobedience of the rules laid down by the college

Let us all strive to keep up the traditions, the Vision and Mission of the College and work unitedly for a better tomorrow.
