

## **B.Com (ACCA)**

ACCA (Association of Chartered Certified Accountants) UK is an International Professional Accounting Body, which has members and students in over 173 countries. It has 1200,000 fully qualified members and 486,000 students worldwide. It is recognised and respected by over 8,500 Approved Employers and has over 109 years experience and proven reputation for quality and excellence.

St Agnes College (Autonomous), Mangalore provides a unique course 'B.Com with ACCA' in the field of Commerce that is much more valuable than any other course. What B.COM cannot do alone is what B.COM +ACCA can do. The programme aims at developing Accountancy and Finance professionals to meet the Industry requirements in India and Abroad. It takes the candidate to advanced levels in variety of subjects such as Management Decision Making, Financial Reporting and Financial Strategies.

### **Highlights of the Course:**

- Earn 3 qualifications together- B.Com (MU),ACCA(UK) and B.Sc from Oxford Brooks,UK.
- B.Com with ACCA program helps the students to get exemption of first six papers of ACCA ( F1 to F6 )
- Since the curriculum is already integrated or embedded in the B.Com syllabus, the students can finish ACCA Professional qualification without much additional training.
- The student has to write only 7 external papers out of 13 papers to be ACCA qualified.
- In addition to ACCA qualification students also will get Diploma in Accounting and Business and Advanced Diploma in Accounting and Business after they write online exams in Foundations in Professionalism ethics module and Ethics and Professional Skills module respectively.
- ACCA prepares students to take up the responsibilities in various functional areas in an organization.
- Develops business skills among students that can meet the requirements of business and industry.
- Equips students to pursue higher education and build their professional qualification.
- Imparts experiential learning to provide practical exposure on the subjects.
