PRESENTS

AVISHKAR 2022

BEYOND BARRIERS

EKAM

An Intercollegiate Fest

8 July 2022

ABOUT THE COLLEGE

St Agnes College (Autonomous), Mangaluru, India, is a premier Catholic Educational Institution founded on 2 July 1921 by a great visionary Mother Mary Aloysia A.C. The College is the first women's college on the West Coast of India and the first, under private management, in the whole country. The Institution has the distinction of producing women graduates and post graduates who hold positions in different spheres as educators, scientists, chartered accountants, entrepreneurs, management professionals and service professionals all over the world.

For the past 101 years, the College has provided many opportunities for students to develop their interests in various academic disciplines and areas beyond academic. In 2017, the college secured an A+ grade from NAAC with a CGPA of 3.65 out of 4. It was also recognized as a "College of Excellence" by the UGC. The college has received 'Star College' Status from DBT, MST, and the Govt of India. To promote academic excellence in teaching and research, the management of St Agnes College has accepted the status of academic autonomy for the college since 2007.

The College always tries to achieve excellence in the field of education and has worked towards building a unified structure of support for the practice of academic activities, music, dance, drama, and debate by conducting seminars, conferences, and workshops. Since its establishment, fests covering various areas of science, arts, commerce, and management have been organized. This is to enable our able student body to challenge and be challenged by the youth of different colleges from every nook and corner of India.
